

The virtual one day event will cover such topics as:

Presented in English:

Towards Net-Zero Energy Ready Buildings - Compliance with NECB 2017;
Innovation in fire-rated glazing;
Comparing the Approach to Ensuring Quality for Alternative Delivery Models;
Where did everybody go? Virtual Design for remote teams;

Presented in French:

Découvrez les toutes dernières nouveautés de LEED v4.1 and
Nouvelle norme coupe-feu en cours d'adoption

The above sessions will be registered for 1 AIA HSW credit for each 1 hour session.

*Keeping with CSC tradition there will be a keynote presentation by **Linda Edgecombe** a Resiliency Expert , Motivational coach and a Proud Disruptor of the Status Quo. Linda is an internationally renowned, award-winning speaker. She was just included in the Top 60 Motivational Speakers in the World by hunger2succeed resources.*

*Linda will tell us **How to Start in a State of Overwhelm**: We're all just so "BUSY" these days. "Slammed." "Buried," in fact. Desperately trying to "keep our heads above water." And this while homeschooling, endless ZOOM Meetings and very little time to just take a break. "How are you?" Oh, "fine." Many of us are Not Fine, not these days. literally causing accidents in our workplaces and our homes. This presentation will touch on CHANGE; CLUTTER; FATIGUE; CLARITY; OVERWHELM and LAUGHTER.*

Registration Cost: \$25.00 for CSC Members (Discount Code CSCDCC)
 \$50.00 for Non-members

For more information go to <https://www.csc-dcc.ca>

To register go to [CSC Conference 2021 – Knowledge Shapes Our Future](#)

*Sessions topics subject to change without notice.
