

APPLICATION FORM:

CERTIFIED CONSTRUCTION CONTRACT ADMINISTRATOR (CCCA) DESIGNATION

Construction Specifications Canada has developed an education system and certification designation for construction contract administration. Those who complete the requirements will be certified and will be allowed to refer to themselves as Certified Construction Contract Administrators (CCCA).

Objectives The objective is to improve construction contract administration by providing education related to the understanding, administration, and enforcement of conditions of the contract during the bidding and construction phases of the project.

Eligibility **Prior to completing this application form for CCCA designation, ensure that all of the following pre-qualifications are met:**

1. You must be a current CSC member. (Non-member applicants must include a completed membership application form and fee, which will be processed concurrently with the CCCA application).
2. The applicant must have a minimum of five (5) years experience in the administration of construction contracts. (Applicants must complete the CCCA Application Experience Log).
3. Successful completion of CSC Level 1 Principles of Construction Specifications or Principles of Construction Documentation (PCD); and the successful completion of CSC CCA Education Course.

Successful completion of the education portions is based on a minimum 70% pass mark at each level.

Application Fee Enclose the required application fee of \$120.00 PLUS Tax (from your Province)
Make cheque payable to Construction Specifications Canada or write your credit card number below.

Course Fees Course registration fees will vary by location. Education course details and registration forms are available on request from Construction Specifications Canada.

Dues Certified Construction Contract Administrators shall pay annual Certification dues, which shall be established by the CCCA Subcommittee, in addition to CSC membership dues. Dues shall be payable to Construction Specifications Canada on receipt of invoice within time limits established by CSC By-Laws.

Register The Executive Director will maintain a Register at the Corporate CSC Office. The name, address, and date of certification of each member approved for certification by the CCCA Subcommittee, and who have paid the required dues and signed the agreement to abide by the Code of Conduct and Practice will be entered into the register. The register shall be open to inspection by any persons so requesting.

Certification & Title Each member whose name is inscribed in the Register will receive a CCCA Certificate bearing the member’s name, date of certification, the seal of the Corporation and the signatures of the President and the Chair of the Education Certification Committee (ECC). The Certificate remains the property of CSC.

Members so registered are titled “Certified Construction Contract Administrator” (CCCA) or “Administrateur de Contract de Construction” (ACC) and are entitled to use this designation provided they continue to abide by the Code of Conduct and Practice and remain members in good standing of CSC.

Conduct Certified Construction Contract Administrators are required to comply with the Code of Conduct and Practice of the CCCA Subcommittee.

The information within will adhere to the CSC Privacy Act. If approved by the Committee, a certificate will be issued to the applicant, or to the Chapter Education Officer for distribution to the applicant at a future Chapter meeting.

IMPORTANT MESSAGE:

CSC Members who hold a Certified Construction Contract Administrator (CCCA) designation are required to maintain their status through a documented program of Continuing Professional Development and Education Hours. In each membership year (calendar year) the member is required to participate in a total of 15 hours of Continuing Professional Development and Education (CPDE) activities. This program is meant to aid in furthering the recognition by industry participants of CSC Designations by building on the value of integrity of the programs as well as that of the registered or certified members. The renewal program will ensure that registered/certified members of CSC continue to learn and develop their skills as well as share their expertise with others in the industry.

As a Certified Construction Contract Administrator, you will be asked on a yearly basis (during the Membership renewal) to complete a Registration and Certification Renewal Form, failure to complete this form may result in the revoking of your designation by the Education Certification Committee (ECC).
