Calgary chapter has continued monthly meetings and events throughout the last year without skipping a beat. Calgary saw a record number of attendance at our meeting in March with Keith Robinson as our guest speaker. We are very hopeful to have our Christmas social back this year and be able to celebrate with everyone. As we have all had many bumps this past year just know that the Calgary Chapter is a family so feel free to reach out to fellow members.

Conference 2022 will be held in Niagara Falls followed by a Conference in our very own hometown chapter Calgary. We are always looking for volunteers if interested please reach out.
