CSC Regina presents **Lunch and Learn**

Understanding Advanced Wall Designs with Continuous Insulation
Speaker: Chris Hogan

Date and Time: Thursday, April 7 at 12:00pm

Venue: Watson Room, The Atlas Hotel, 4177 Albert Street

Learning objectives

- Consider how recent changes in building and energy codes can and should influence your design strategy for producing whole-building energy efficiency.
- Understand how proper material selection and good design for wall assemblies is critical for ensuring reliable long-term energy-efficient performance.
- Learn how newer cladding attachment systems are being utilized in the construction of highly insulated wall assemblies and how to apply these technologies to your projects.
- Gain a better understanding of how these systems are being installed in the field and the minimal changes to current construction practices.

Connections Café
Fall 2022

Due to recent Covid-19 restrictions being lifted, the Executive Committee is considering the event in October, 2022. Details to follow in the forthcoming newsletter.

Any questions, feel free to e-mail us at regina@csc-dcc.ca

Education Fall 2022

We are hoping to run a Construction Contract Administration (CCA) course this Fall but would also consider running the Principles of Construction Documentation (PCD) course again if there is enough interest.

If you have questions or interest in either of these courses please e-mail us at regina@csc-dcc.ca

ENGINEERS *SUPPLIERS*
STUDENTS **CONTRACTORS**
Facility/Plant Managers **DESIGN PROFESSIONALS**
SPECIFICATION WRITERS *Trade Contractors*
