2022 CSC CONFERENCE UPDATE

This past week several members of the CSC Saskatoon Chapter Executive and Chapter members attended the CSC Annual Conference in Niagara Falls, ON. It was an excellent, and well hosted, event that included learning sessions, casual networking times, Connections Cafe (i.e. vendor hall), social activities, and the Annual General Meetings. Old acquaintances were met again, and new friends were made. Next year's conference is being hosted in Calgary, AB. We hope many of you will be able to attend.
