FROM THE DESK OF THE PROGRAM DIRECTOR

Jeff Halashewski, RSW

London Chapter |
Program and Events
Officer

For the past few years which is now known as the “COVID Years” we as a chapter had gone into survival mode. Working from home, communicating over Zoom and maintaining a pretty safe life away from others and tucked away with our loved ones.

Now we are back, COVID is still here, but we as the world is making a comeback ... going back to work... attending conferences, traveling to exotic locals.

This is a good thing.

As the Program and Events Officer (and Director) for the Chapter I am here to see that the membership has a place to meet and have their voices heard, and we are now trying to do this monthly.

So, in saying this we need you to be the advocates for the Chapter and become involved. Even if it is just attending a meeting someone will be glad you are there.

This month we have our Chapter Dinner Meeting but look out in March we are having a Program and Event Planning Session for 2023/2024... yes, we want you to be involved because without you we do not have a Chapter.

I know there are individuals in this Chapter burnt out from a past conferences or even over worked at the Chapter executive level. The Executive now has a motto "We are Not Alone" and this is open to all members of the London Chapter call your CSC Friends they would like to hear from you.

In the next few months, I will be stepping down from the Program and Events Officer position so if you like "party planning" or getting involved with presenters or just working with venue locations... we need you!

Send you information to london@csc-dcc.ca if you would like to get involved.

Even better we are having a Chapter Executive Zoom meeting on February 13th get on the call list as all members are invited and have a voice.

And talking about your voice, April we have the Annual chapter meeting (in person) ... I know there has not been a meeting for a few yes now but it's a chance the Chapter gets to regroup and to let you know what we have been up to the past year and what we have plan going forward.

Like I said if you want to reach-out to any of the Chapter Executive we can be contacted at london@csc-dcc.ca.

JANUARY 2023 MEETING

The CSC London Chapter held their first Monthly Chapter Meeting of 2023 on January 26th at Kellogg Lane in London, Ontario. The lasagna dinner was accompanied by a presentation on the topic of Fire-Rated Expansion Joints – Employing Best Practices and Avoiding Site problems.

We would like to thank our presenters Bernie Doyle and Matthew Fisher from Inpro for the informative and engaging presentation. Topics covered included fire barrier installation concerns, proper detailing and joint system verification. Additionally, they covered the hazards of fire, smoke and heat transfer, and reviewed standard industry fire barrier types, ratings and testing protocols.

Please join us for the February Dinner meeting on February 16th on the topic of “Designing a Cost Effective Rainscreen Façade with HPL” which will be hosted at the Kinsmen Recreation Centre (20 Granville Street, London, ON) from 5:30 pm to 8 pm.
