CSC LONDON CHAPTER - OUT ON THE WATER!

By Jeff Halashewski

At the Golf Tournament we had a draw, where 7 lucky participants and myself got to go out on a Charter Fishing trip on July 19th. The day was absolutely perfect, and the funny thing was... we all had never been out on a Charter before.

Everyone had their turn at the reel to pull in the BIG ONE! I almost had a chance at a very large one.... and at the last moment, I let go of my slack and the fish spit the hook out... it was exciting. Mostly fishing is about the people you share the experience with and the day was quite the experience. Looking forward to maybe getting these guys back together sometime to do this again or something different Like maybe fly fishing.
