CSC National Conference 2024 Montreal

Congratulations Rick Hadubiak 2024 CSC Life Membership Award Recipient!

One of the highlights of the recent National Conference in Montreal was the elevation of Regina Chapter member Rick Hadubiak to **CSC Lifetime Member**. This is the highest award which can be bestowed upon a CSC member and it was great to have Rick receive this award in person on Saturday during the President's Ball event.

Rick has been a member of CSC since 1987 and received the Certified Technical Representative designation in 1996 along with the Certified Construction Contract Administrator designation in 2002.

Rick has received multiple Chapter Order of Merit awards, was a driving force behind the Connections Café event for over two decades and was Chapter Treasurer for 23 years.

Rick has always championed the benefits of our association and has recruited many new members over the years.

Congratulations Rick!

Congratulations to the rest of our Regina Chapter Award Recipients!

Director's Message

As the outgoing CSC Regina Chapter Director, I am looking back on my experience over the last 4 years as Chairperson / Director. There were some challenging times going back to 2020-2022 but the last two years have brought back some normalcy and positive results. We've hosted a number of tours, tradeshow, lunches, and social events and we've seen good turnout in most cases.
